LEAVING A LEGACY
THROUGH GIFT & ESTATE PLANNING

“With planned giving, I can make a larger gift that will help more people than I could ever do on my own right now. I’d like to see more planned giving to benefit UGA because it really is an easy and powerful way to offer a meaningful gift.”

–Betsy Camp
(BBA ’74, JD ’77)

Planned giving is a great way to amplify your impact at the University of Georgia. Planned giving typically refers to situations in which you arrange for a gift now that will benefit the university at a later date. There are also planned gift options that allow you to make an immediate gift while retaining an interest during your lifetime. Through a planned gift, you can establish a personal legacy while also ensuring that the university will continue to thrive in the years ahead.
