DONOR RELATIONS & STEWARDSHIP

STEWARDSHIP OVERVIEW
QUARTERLY REPORT & STRATEGIC PLAN

JANUARY 2020
THANK YOU FOR YOUR INTEREST IN UGA’S OFFICE OF DONOR RELATIONS AND STEWARDSHIP!

Our Stewardship Overview and Matrix captures an inclusive summary of our efforts, achievements, and goals. I am pleased to share our team’s outstanding metrics as of January 1, 2020. This issue exemplifies our development over five-years, present plans, and future goals for FY21 and beyond.

The successes of our team are direct results from the dedication and passion that each of us, as individuals, embody. Since July 2019, we’ve gained a new full-time employee, implemented a community service initiative, executed a complete redesign of Endowment Reports, and continued to move our mission of gratitude and teamwork forward.

I welcome any questions and would love the opportunity to introduce you to our talented team that makes it all possible.

Tony
“All shops could learn from this... It could be used as a handbook for stewardship.”
MISSION & VISION

Donor Relations and Stewardship sustains and nurtures lifelong relationships with University of Georgia donors by cultivating, acknowledging, engaging, and recognizing donors through stewardship programs and events.

Our office asks the important question, “How do you turn donors into loyal supporters?”
We think the answer is an effective “thank you.”

Our donor-centered strategy is accomplished through timely and appropriate gift acknowledgement, fund investment and impact reporting, donor recognition, donor appreciation, special communications, and enhanced stewardship based on the unique needs of the donor. Through thoughtful and consistent contact, Donor Relations and Stewardship assists in fundraising by enriching lifelong relationships with University donors. Our efforts instill trust that donors’ gifts and investments are impacting the University and broader community in a meaningful way.

COMMIT TO GEORGIA

Beginning with the silent phase in 2012, the University of Georgia announced the public phase of its $1.2 Billion capital campaign, Commit to Georgia, in the fall of 2016. Coinciding with a University-wide rebranding, Donor Relations and Stewardship has taken the immediacy and excitement that comes with these events to reorganize, implement new programs, and update existing stewardship. This campaign hopes to change the lives of thousands of students, fund world-changing research, expand the university’s land- and sea- grant missions, and continue a tradition of excellence. We are endlessly grateful to steward our University family of passionate, cause-driven people who commit to improving our state, nation, and world.

Simply put, without our donors, the University of Georgia would not be what it is today.

We invite you to see how we say THANK YOU to those who Commit to Georgia.
All gifts received by the University of Georgia Foundation are acknowledged with the University’s official gift receipt, which contains a thank you message from the VP for Development and Alumni Relations and includes a Georgia Donor decal. This standard response is supplemented in many instances by additional forms of acknowledgement, including Presidential acknowledgements generated by Donor Relations and Stewardship, as well as letters generated by schools, colleges, and units across campus.

Presidential Stewardship Coordinators

Gifts of $10,000 and above are acknowledged quickly, accurately and appropriately with a letter signed by the President of the University. We are responsible for generating these letters to inform donors that their financial support is gratefully received, vital to our school and community, and being used according to their stated wishes and expectations.

Along with gifts of $10,000 and above, presidential letters are also generated for all newly established pledges beginning at $25,000; these donors are acknowledged again when their pledge is fulfilled. We also edit presidential letters written by Gift and Estate Planning welcoming donors into the Heritage Society (see Recognition on page 16). Special circumstances as indicated by the President’s Office are also acknowledged.

For historical data regarding this and other projects, please contact the Donor Reporting Coordinator for previous Stewardship Overviews.
President Stewardship Coordinators

Named to honor the past leadership of the University of Georgia, the Presidents Club recognizes donors whose annual gifts total $1,500 or more (see Recognition on page 16). Annual membership is based on the University's fiscal year (July-June) and is renewable. Since many donors reach this level after giving multiple gifts to different units, Donor Relations and Stewardship began sending members a Welcome Packet explaining the significance of their gift and recognition level. They are also given an annual Presidents Club lapel pin and the opportunity to change their Honor Roll listing and/or request anonymity. This immediate acknowledgement and expression of gratitude to Presidents Club qualifiers is sent in a thoughtful, appealing packet that reinforces appreciation among our most generous supporters and encourages a habit of annual high-level gifts.

The threshold for Presidents Club was raised from $1,000 to $1,500 in FY18.
PRESIDENTS CLUB YEAR-END DECAL ACKNOWLEDGEMENT

Presidential Stewardship Coordinators

The new Presidents Club threshold in 2018 was an ideal time to refresh branding for the entire giving society. We reevaluated our past giving levels (Associates, Fellows, and Benefactors) and developed a new program that is easier to understand and identify. Presidents Club members receive the Welcome Packet upon reaching $1,500, but many of these donors reach a larger giving level over the course of the fiscal year through multiple gifts. To honor this giving, we mail an annual decal in August that reflects the donor’s total giving during the previous fiscal year. This mailing also serves as a Save the Date for the Annual Presidents Club Reception held each fall.

MEMORIAL & HONORARY GIFT NOTIFICATION

Scholarship Stewardship Coordinator

All memorial and honorary gifts receive special acknowledgement by the Office of Donor Relations & Stewardship. Special cards or letters (depending on the number of gifts) are generated and the names of donors who contribute to memorial or honorary funds are shared with the family members and friends associated with these accounts so that they may offer additional gift acknowledgements. This important service is especially important as donors are dealing with personal loss and are experiencing emotional times in their lives.

Memorial and Honorary Gift Acknowledgement stewardship has been occurring since 2007. The process was updated, and Donor Relations and Stewardship began recording this information in 2012.
First-time donors receive a specialized message through direct mail and e-mail welcoming them to the family of thousands of UGA donors. The email is updated annually with a video message of thankful students at the previous fiscal year’s Thank a Donor Day. The direct mail piece celebrates their first-time gift along with other University of Georgia famous firsts.

Thank you for your first gift to the University of Georgia!

As the birthplace of public higher education in America, the University of Georgia has celebrated a lot of firsts. Your first gift will lead to many more firsts for our students as they pursue their passions and discover how they can make a difference.

We hope you enjoy this message of gratitude from our students and Student Government Association President Cameron Keen. Again, thank you for joining the UGA family of supporters!

Faculty, staff, and retiree donors are welcomed into the Philanthropy at Work Society with an email and card thanking them for their first donation each fiscal year (see Recognition on page 16). The email includes a special video message from the Student Government Association President, and the card includes a special desktop keepsake.

Faculty and staff stewardship efforts began in 2014 with an email and event.

GEORGIA VEHICLE TAG ACKNOWLEDGEMENT

Scholarship Stewardship Coordinator

State of Georgia special tag holders who chose to share their information with us receive a postcard thanking them for supporting scholarships at UGA. With a new image of Hairy Dog in a unique vehicle each year, Donor Relations and Stewardship hopes to acknowledge this gift that many donors do not realize they are making.

Tag Acknowledgement stewardship efforts began in 2016.
Reporting on the financial status of endowed funds and impact of leadership giving is essential in order to ensure each donor that his or her gift has been invested wisely and its full value is being distributed appropriately to the University community. Donor Relations and Stewardship has been managing the annual release of Endowment Reports since its inception in 2005 and takes pride in the highly individualized accuracy of these reports. We are excited to continue our new endeavors that illustrates the impact of gifts beyond endowment performance.

**FINANCIAL ENDOWMENT REPORTING**

**Project Manager**

Each November, Donor Relations and Stewardship generates Endowment Reports for all endowed funds. These reports reflect the previous fiscal year’s status and endowment growth of each fund and are distributed to the donors and donor representatives. Donor Relations and Stewardship works closely with Financial Services to ensure accurate and timely reporting. New stewardship contacts are set up throughout the year as new funds are established. Donor Relations works closely with each school, college, and unit on campus for personalized messages, including departmental-specific photos and text for each report. For endowed scholarship funds, scholarship recipient names are included as part of these reports. In FY19 the entire Endowment Report underwent a complete redesign!

“I shed a few tears and felt huge pride swell in my heart when I got my report. The customized approach, and maybe they do it at other schools but certainly not as well as UGA, is a beautiful way to say thank you. Makes a huge University seem like a very small family.”

CT – NAPLES, FL

---

**Annual Endowment Report stewardship began in 2005. The process was updated, and Donor Relations and Stewardship began recording this information in 2012.**

**Endowment Reports reflecting FY20 will be mailed November 2020.**
The first endowment reports were sent in 2005 to 374 individuals and corporations. This well received project has grown dramatically in size since then due to newly created funds being stewarded as well as established funds being researched for recipients of the information. Included in the Endowment Reports is a return envelope for the donors to update information, request additional reports or fund representations, and provide us with any additional comments. The envelope has also been used to make additional gifts.

*A survey was included in the response envelope in FY18. Please reach out to the Project Manager for details.*

It was a long-standing goal for Donor Relations and Stewardship to implement an Endowed Faculty Annual Impact Report. Fiscal Year 2017 marked the initial year that these reports were collected, with a release date of November 2017. We learned a lot from our first-year process. With Deans and Directors on board, we reached out to Chairs and Professors via an online Questionnaire that prompted questions about research, teaching, and accomplishments at the University.

ANNUALLY IN THE FALL

To strengthen stewardship for our recently increased threshold of the Presidents Club, we implemented an electronic Biannual Impact Report. This report highlights the ways that leadership annual giving has influenced the University’s recent successes. Each fall, the impact report will be sent to all qualifying Presidents Club members of the previous fiscal year and to new members who have reached the $1,500 giving threshold since July 1st. Each spring, the impact report will be sent to all current members of the Presidents Club. Newsletters have received a 45–50% open rate each time.

The first Presidents Club Impact Newsletter was emailed in FY18.

In fall 2019, the Foundation Board of Trustees received their first piece of unique stewardship that captured their philanthropic impact for the previous fiscal year. This report will be delivered during the fall quarterly meeting—the same meeting that trustees are given the Presidents Annual Report. The Donor Reporting Coordinator has strived to enhance the report delivered in fall 2020 by including an individual giving insert tailored for each trustee.

The first Trustee Impact Report reflecting FY19 was delivered Fall 2019.
INDIVIDUAL DONOR IMPACT

Assistant Director of Donor Reporting and Communications
Donor Reporting Coordinator

Our top donors often sustain various departments campus-wide, so much of their stewardship occurs based on this departmentalized giving. To illustrate the powerful, cumulative impact these families have had at the University, Individual Donor Impact Reports are our new initiative to honor the total effect of these gifts on the lives of our students, faculty, staff, and entire state.

The first Individual Impact Report was delivered during the Woodruff Scholarship Thirtieth Anniversary Celebration in April 2018. In collaboration with the Assistant Director of Scholarship Stewardship, the book included thank you notes from over 25 alumni recipients of the scholarship, three past Presidents of the University, and staff who formed relationships with the donor over 30-years. It was delivered as a surprise during the Annual Woodruff Scholars Reception (see Scholarships on page 25).

The first Individual Impact Report was delivered in FY18.
The President’s Annual Report is collaboratively produced by University-wide and Development and Alumni Relations Marketing and Communications teams. The report highlights initiatives, provides an Honor Roll of Donors listing of prominent donors (see Recognition on page 16), and presents a financial profile of the past fiscal year. Primarily, Donor Relations and Stewardship provides the Honor Roll data, and a few of our photographs and messages of gratitude from students and faculty are often incorporated in the report.

As of 2018, the President’s Annual Report will be mailed to the following donors: Annual donors of $1,500 and above; donors of $5,000 and above over the past five-years; donors who have given $100,000 and above cumulatively, Heritage Society members, and Founding Presidents Club members. Other non-donor constituencies include: Board of Regents, Alumni Association Board, Real Estate Foundation Board, Athletic Association Board, and various university partners and peers. Athletic ticket priority gifts are included when considering these thresholds.

*The President’s Annual Report merged with the Foundation Annual Report in 2017, causing for a sharp increase in the number of constituents receiving the report.

The President's Annual Report reflecting FY20 will be mailed Fall 2020.
Donor recognition reminds donors how much we appreciate the relationship they share with our University. Timely, personal messaging and upgraded communications that align with gift amounts allow us to steward our donors’ generosity with an integrated plan. This way, donors are recognized appropriately and fairly. Donor Relations and Stewardship recognizes University-wide giving through an annual Honor Roll of Donors and various Giving Societies.

HONOR ROLL OF DONORS

ANNUALLY IN SEPTEMBER

Presidential Stewardship Coordinators

Every UGA donor is an important part of our collective success. Since the inception of the Annual Presidents Club, its members have been proudly recognized in the Honor Roll of Donors. To decrease printing costs and more closely align with the goals of our Communications teams, FY17 marked the first year that annual donors of $5,000+ were recognized in the printed Honor Roll as a part of the updated President's Annual Report (see Reporting on page 10), along with Heritage Society, Founding Presidents Club, and Cumulative Giving Societies (see Recognition on page 16). All Presidents Club members (donors of $1,500+) are recognized via the online Honor Roll viewed through the Office of the President’s website. All donors giving at the previously mentioned levels are recognized for their University-wide giving, unless anonymity is requested.

Donor Relations and Stewardship makes monthly data pulls to verify Gift Accounting’s input, update biographical information that may have changed, and make corrections as necessary. Through these monthly pulls, updates can be made in smaller sections, easing the time crunch at the end of the fiscal year.

Donors are also recognized in other publications across campus (including but not limited to specialized campaign or development newsletters and magazines, alumni-centered periodicals, and departmental honor rolls).

Donor Relations and Stewardship began recording this information in 2012.

The threshold for the FY18 Online Honor Roll of Donors was raised to $1,500 to align with Presidents Club. The Presidents Annual Report reflecting FY20 will be mailed in the Fall 2020.
GIVING SOCIETIES

In addition to the various recognition societies present within the schools, colleges, and units, the University of Georgia recognizes donors with the following gift societies: Presidents Club, Cumulative Giving Societies, Third Pillar, Philanthropy at Work Society, and Heritage Society. Except for Heritage Society, all communications, membership management and related events are coordinated by the Donor Relations and Stewardship.

Beginning in FY18, donors who give at this newly increased level are also stewarded through a decal program (see Acknowledgements on page 4) that aligns with his/her giving and a Biannual Impact Report each fall and spring (see Reporting on page 10).

FOUNDING PRESIDENTS CLUB

Closed as of 1994

Founding members of the Presidents Club have a special lifetime distinction having joined in the first twenty years of the program. These individuals made a $10,000 total commitment and/or purchased a $25,000 life insurance policy naming UGA as the sole beneficiary. They are honored by having their names listed on the Donor Wall in the Presidents Garden located on North Campus behind Old College.

PHILANTHROPY AT WORK SOCIETY

Scholarship Stewardship Coordinator

Beginning in July 2019, Philanthropy at Work Society (PAWS) recognizes faculty, staff, and retirees who go above and beyond in their commitment to the University by giving an annual gift. Members are thanked each year with a video from the Student Government President, a mailed acknowledgement with a desktop keepsake, and an invitation to the annual PAWS Reception.

CUMULATIVE GIVING SOCIETIES

Associate Director of Donor Relations and Stewardship

In conjunction with the kickoff of the Archway to Excellence Campaign in 2001, the University of Georgia announced three new cumulative giving societies that recognize major donors to the University of Georgia. These giving societies recognize individuals, corporations, foundations and organizations whose cumulative gifts have reached $1 million and above. Donors are listed on the historic Donor Wall located in the Presidents Garden at Old College on North Campus. Beginning in 2017, individuals who reach one of the following societies or move up to a new Cumulative Giving Society within the Commit to Georgia campaign may receive a limited-edition print of the Presidents Garden by Katherine Schuber (right).

THE CRYSTAL ARCH SOCIETY: $10 MILLION

The Crystal Arch Society, recognizing gifts of $10 million and above, is named for the University of Georgia's most recognizable symbol and the main entrance to campus, the Arch. Erected in the 1850s, the Arch is UGA's most revered landmark, patterned after the Great Seal of the State of Georgia.
THE ABRAHAM BALDWIN SOCIETY: $ 5 MILLION

The Abraham Baldwin Society, recognizing gifts of $5 million and above, is named for the legendary Georgia statesman, educator and founder of the University of Georgia. Abraham Baldwin wrote UGA's charter, the first-ever written and adopted for a state-supported public university.

THE 1785 SOCIETY: $ 1 MILLION

The 1785 Society, recognizing cumulative gifts of $1 million and above, is named for the year that the University of Georgia was chartered by the Georgia General Assembly, pays homage to our impressive history and tradition of achievement as the first state-chartered university in the nation.

LOYALTY GIVING SOCIETY

THIRD PILLAR

Scholarship Stewardship Coordinator

The Third Pillar is a loyalty recognition program for donors making gifts in the last three or more consecutive years. Our analytics show that the third year of consecutive giving is a very important milestone, which most often predicts continued support. We believe it is important to recognize this special achievement of loyal giving to help seal their commitment. Each Third Pillar donor receives a special mailing with a Third Pillar magnet upon their first gift of the fiscal year.

PLANNED GIVING SOCIETY

HERITAGE SOCIETY

Gift and Estate Planning Stewardship Coordinator

Heritage Society is managed by the Office of Gift and Estate Planning to recognize the generosity of those that have documented a deferred gift to benefit the University of Georgia. Recognition is appropriate, not just to offer thanks to these donors, but to provide context to the magnitude of their generosity. Individuals are automatically welcomed into membership once they have documented a commitment. Members receive special acknowledgement from the President, are honored annually in university publications, and are periodically invited to exclusive university functions.

Cumulative Giving Societies stewardship began in 2001 and began recording this information in 2012.

Donor Relations and Stewardship assumed responsibility for Third Pillar and began recording this information in FY16.

Heritage Society stewardship began in 1995 and is managed by Gift and Estate Planning.

Please contact Gift and Estate Planning for questions.
Donor Relations and Stewardship, in conjunction with Special Events, hosts a signature donor recognition event: Presidents Club Reception. Donor Relations and Stewardship also hosts the PAWS Reception honoring our faculty, staff and retiree donors. We are focused on making these events as donor-centered and meaningful, and we continue to create opportunities that make it easy for UGA’s fundraisers to steward and cultivate their donors. We ensure that appropriate people are invited to associated donor events, and that invitation and attending lists are shared with development staff around campus.

THE PRESIDENTS CLUB RECEPTION

Associate Director of Donor Relations and Stewardship

Presidential Stewardship Coordinators

The Presidents Club Reception is an annual event held each fall (on a Friday evening before a home football game). Annual Presidents Club members are recognized for their generous contributions to the University; along with Founding Presidents Club members; Cumulative Giving Societies members), $100,000 in their lifetime. Donor Relations and Stewardship works to select the brightest ambassadors to represent the UGA student body. These students interact with donors and guests during the evening and their synergy adds greatly to the success of the event.

To recognize donors at the event, donors receive a special ribbon attached to their nametag indicating their giving level and/or giving society status. These ribbons represent Presidents Club giving levels, Cumulative Giving Societies, and Heritage Society members. Donor Relations and Stewardship creates a special PowerPoint presentation that is shown in the background during the event, with a giving message that expresses sincere gratitude to our donors. Included in the presentation are quotes of gratitude from thankful UGA students who are serving as student ambassadors during the event.

Presidents Club Reception is one of the longest-running stewardship traditions at the University beginning in 1973.

Donor Relations and Stewardship began recording this information in FY13.
The FY17 Reception was the last reception recognizing Presidents Club members at the previous threshold of $1,000. The Reception honoring FY20 giving will take place Fall 2020.

**PHILANTROPY AT WORK SOCIETY (PAWS) RECEPTION**

**Associate Director of Donor Relations and Stewardship**

**Presidential Stewardship Coordinators**

PAWS Reception recognizes faculty, staff, and retirees at UGA who give a financial gift of any size to the university during the fiscal year. The reception is held each fall and recognizes the previous fiscal year of giving. This event is meant to be a fun party for our UGA family, which includes simple decoration with a changing theme, fun activities, and remarks from the president.

The aim of this event is to honor faculty, staff, and retirees for going above and beyond their normal duties by giving to UGA. It is also a way to promote the impact and significance of giving to those who are lapsed donors or who have never given.

Donor Relations and Stewardship began recording this information in FY13.

Our office strives to retain donors through relationship building. Because of this, appropriate acknowledgement occurs throughout the year—not just immediately following a gift. We utilize special days and holidays as moments to reach donors with inspiring and grateful messages year-round.

**SEASONAL MESSAGING**

*Blanket, seasonal messages are a great way to let donors hear first-hand about the impact of their gifts. We bring the campus (including sights, sounds, accents, etc.) to them across the country and the world. Through these messages, we touch all donor groups in a meaningful and cost-effective way.*

THANKSGIVING VIDEO

Senior Director of Donor Relations and Stewardship

The Thanksgiving video contains messages of gratitude to our generous donors for their support and sends wishes for a happy Thanksgiving. This video is distributed the week before Thanksgiving. Our FY19 video was well-loved by our Administration and broke all records for views. It was shared across University-wide social media and received over 250,000 impressions on Facebook and Twitter. FY19’s email saw a 10% increase in open rate—up to 37.9% from FY17’s 27.6%!

““This. is. simply. INCREDIBLE. Bravo, bravo! You’ve done it again!”

IQUELY. Bravo, brav

Thanksgiving messaging stewardship began in FY13.

THANKSGIVING POPUP CARD

Assistant Director of Donor Reporting and Communications

Donor Reporting Coordinator

The fall of FY19 saw lots of changes for our Donor Relations family with maternity leaves and a sudden news that our office space was moving across campus. We did not send an FY19 video message but did initiate our first Top Donor Thanksgiving Popup Card to Platinum Presidents Club, Cumulative Giving Societies, and Trustees. This new, annual stewardship will begin to be recorded in FY20.

A produced Thanksgiving video was not delivered in FY19. Thanksgiving cards began in FY19. Donor Relations and Stewardship will begin recording Thanksgiving card stewardship in FY20.
BIRTHDAY CARDS

Scholarship Stewardship Coordinator

Birthday cards are sent to key donors, including: donors of $500,000, Trustees, and top Campaign prospects. We also send cards to fundraisers and other key staff as a thank you, perhaps inspiring them to initiate similar personal touches for their donors. As with most of our acknowledgements and communications, we take much pride in designing a new birthday card each year to bring a little bit of surprise and energy to the mailing.

Past Birthday Cards

It is essential that our birthday card design changes each year. Our donors look forward to receiving a card that is creative and different from other branded, development materials. Past designs include:

Birthday Card stewardship began in FY11. Donor Relations and Stewardship began recording this information in FY12.
Stewarding gifts made to scholarship funds reinforces the University of Georgia’s efforts to assure a donor that his or her investment is meaningful, appreciated, and being used as promised. Stewarding scholarships is a year-long process, running from the announcement of scholarships in early June through Graduation the following May. Donor Relations and Stewardship fulfills this important stewardship obligation by providing scholarship donors with recipient information and financial updates.

**STUDENT PRIVACY COMPLIANCE**

Assistant Director of Scholarship Stewardship

**SCHOLARSHIP RECIPIENT PRIVACY**

Due to a recent reinterpretation of the Federal Higher Education Act protecting the privacy of students, scholarship stewardship saw many changes over the course of FY19. Donor Relations works closely with the Office of Student Financial Aid (OSFA) to adhere to the appropriate processes while advocating for the need to report to donors. Donors may hear from their recipients, but this cannot be guaranteed.

**MERIT-BASED SCHOLARSHIPS**

Assistant Director of Scholarship Stewardship

**Scholarship Stewardship Coordinator**

**GRATITUDE REPORTS**

Donor Relations and Stewardship manages the stewardship of all non-departmental scholarship funds (endowed and non-endowed) awarded through Admissions (such as Charter Scholarships), as well as some awarded through the Office of Instruction. Since these scholarships are not awarded by a unit, a unit-based Development Officer is not always assigned to the donors. Therefore, Donor Relations and Stewardship stewards these funds centrally.
Scholarship recipients of Admissions–based funds are contacted during the summer upon their award announcement to request a thank you message, short biography, and photo. These students receive a t-shirt if their questionnaire has been completed. The information collected is compiled into a standard format and sent to scholarship donors in their Gratitude Report in the Spring. Gratitude Reports are individualized and include thank you messages from the very students benefitting from the donors’ generosity. Gratitude Reports reinforce our appreciation and show deeper impact, encouraging continued and increased giving. Due to this initiative, donors receive personalized recipient information while the students are receiving the donor’s support.

FY19 was the first year that non-departmental need–based scholarships were not included in this process.

**GRATITUDE REPORTS FOR DEPARTMENTAL SCHOLARSHIPS**

Donor Relations and Stewardship piloted Gratitude Reports for a department in FY19. Terry College of Business successfully stewarded their MBA scholarships with the process, and we look forward to including more schools and colleges for FY20. The responsibility of awarding these scholarships and reaching out to the students will remain with unit–based stewardship coordinators but including all merit–based scholarships in Gratitude Reports places units on a similar timeline. This will strengthen accountability and ensure that donors are receiving annual touches from the university. In addition, donors with multiple scholarships that impact several units will see a more holistic approach to their communication.

FY19 was the first year that a unit participated in Gratitude Reports.
Donor Relations and Stewardship will begin recording this information in FY20.
NEED-BASED SCHOLARSHIPS

Assistant Director of Scholarship Stewardship
Scholarship Stewardship Coordinator

PAWS TO SAY THANK YOU

Like merit-based scholarships, Donor Relations and Stewardship manages the stewardship of non-departmental scholarship funds (endowed and non-endowed) awarded through Office of Student Financial Aid (such as Access Scholarships), as well as some awarded through the Office of Instruction. Since these scholarships are not awarded by a unit, a unit-based Development Officer is not always assigned to the donors. Therefore, Donor Relations and Stewardship stewards these funds centrally.

PAWS to Say Thank You was enacted in 2017 for our non-departmental need-based scholarship recipients to say an additional thanks to their scholarship donors beyond our standard Gratitude Report. After the reinterpretation of the federal Higher Education Act in FY19, this event has become the single way of engaging need-based scholarship recipients in the thank you note process. This collaborative event with the OSFA will begin occurring twice-per-year in FY20.

Privacy release forms allow the student to opt-in to receiving a request to participate in PAWS To Say Thank You. At the drop-in event, students write a hand-written letter to their donor representative(s). This ensures that student stories and privacy are maintained while allowing the donor to know the impact of their gift.

PAWS to Say Thank You was cancelled in FY20.

THANK VIEW VIDEO MESSAGES

Assistant Director of Scholarship Stewardship
Scholarship Stewardship Coordinator

In FY18, we tested Thank View as an easy-to-use platform that collects short video messages and delivers the message via email to the fund’s beneficiary. In our first year of testing this product, we were able to deliver 60 video messages to our scholarship donors!
In FY19, we are rolling this product out with a more systematic plan to all Admissions and OSFA awarded scholarships, as well as to our units! Personalized video messaging is the future of stewardship, and we are looking forward to forging this path with our scholarship donors. We will begin tracking our progress as our plan is more strategically developed.

Thank View messaging began in FY18. Donor Relations and Stewardship will begin recording this information in FY20.

ENHANCED STEWARDSHIP FOR SELECT DONORS & PROGRAMS

Assistant Director of Scholarship Stewardship

With increased support for the stewardship of these funds, we hope to strengthen individualized stewardship for scholarship endowments by facilitating more recipient–donor events with the help of donors’ development officers. We currently provide this type of stewardship in the following ways:

ANNUAL GEORGE W. WOODRUFF SCHOLARSHIP LUNCHEON

Donor Relations and Stewardship hosts the George W. Woodruff Scholarship Luncheon each spring. The luncheon includes Missie Pierce, granddaughter of George Woodruff, her husband Bill, and the current Woodruff Scholarship recipients.

This luncheon was revived in 2014 with the hire of a stewardship coordinator dedicated to scholarships. FY18 marked the 30th anniversary for the Woodruff Scholarship. See more about this impactful event in Reporting (on page 10).

OTHER INDIVIDUALIZED STEWARDSHIP AS NEEDED

We continue to make efforts to focus on individualized stewardship plans for top scholarship donors. As part of these efforts, we plan the following as needed:
- Face-to-face stewardship visits with select scholarship donors
- Video interviews of scholarship recipients
- Individual scholarship luncheons

GEORGIA COMMITMENT SCHOLARSHIP PROGRAM STEWARDSHIP

Presidential Stewardship Coordinator

Beginning in 2018, Georgia Commitment Scholarships (GCS) are stewarded by the Office of Corporate and Foundation Relations. However, Donor Relations writes a special acknowledgement letter signed by the Vice President for Development and Alumni Relations as these funds are established. GCS donors also receive a Presidential Acknowledgement prepared by our office, an annual Endowment Report, and a blanket stewardship email that is delivered to all scholarship donors each year.

The Assistant Director of Scholarship Stewardship was hired in 2014, increasing systematic enhanced stewardship.
The addition of Presidential Stewardship to Donor Relations and Stewardship in 2016 has been monumental in keeping our team connected to Regional and Principal Giving, the President’s Office, Corporate and Foundation Relations, and Special Events. Giving stewardship a seat at the table when planning for major gifts and events ensures that donors have a holistic giving experience, and our President is able to better utilize his time with donors and acknowledge their generosity personally and effectively.

**LEADERSHIP STEWARDSHIP STRATEGY**

_The Associate Director attends two meetings that discuss plans for stewarding the University’s top-tier donors._

**COMPREHENSIVE CAMPAIGN MEETING**

This meeting occurs for Development Administration to inform the President’s Office on fiscal year fundraising updates, upcoming visits with top donors, and any necessary prospect updates. The Assistant Director does not attend these meetings but prepares a memo that covers the agenda.

**PRINCIPAL GIFTS PROGRESS MEETING**

The Principal Gifts meeting places Principal Gifts, Corporate and Foundation Relations, Research, Prospect Management, and other key fundraisers in the same room to discuss Prospect Plans and calendars. Principal Gifts leads this meeting and reviews active plans on the University’s top campaign prospects. The Assistant Director takes notes to better understand specific top-donor relationships and fundraising goals. After this, she shares the Stewardship Strategy Report, which lists upcoming Presidential visits, donor birthdays, donors who are nearing a Cumulative Giving Society, Cumulative Giving Society recognition status, and the status of any outstanding impact reporting. This important part of the meeting allows Donor Relations and Stewardship’s programs to be intentionally implemented.
**PRESIDENTIAL DONOR VISIT PLANNING**

**Associate Director of Donor Relations and Stewardship**

Presidential Stewardship’s biggest responsibility is coordinating the stewardship experience surrounding a Development visit with the President. The Assistant Director plays a part in developing the initial proposal explaining the need for a Presidential visit, coordinating the President’s schedule, creating the briefing for the President prior to the visit, and drafting a meaningful acknowledgement letter with the Prospect Manager to follow up with the donor. The ability for Donor Relations and Stewardship to house this process—including Presidential letters acknowledging gifts—allows our stewardship to fit the needs of the donor and his/her relationship to the University.

1. **SCHEDULING THE VISIT**

The process of planning a Presidential donor visit involves much coordination between Development Officers, the President’s Office, and Donor Relations and Stewardship. The Assistant Director serves as a liaison between Development and the President by collecting a list of donors to propose to the President, along with an initial purpose from each Development Officer to support that proposal. Once the President’s Office approves a visit, scheduling begins. It can take several weeks to match a date between the President’s busy schedule and the schedule of our highest level of donors. As the date is set, the Assistant Director begins the briefing process.

2. **CREATING THE BRIEFING**

Presidential visit briefings are in-depth and require information from the Development Officer and Research, as well as all event logistics (driving/walking directions, parking instructions, attire, and special etiquette). The Assistant Director is careful in formatting these briefings in a consistent way, keeping the purpose of the visit central to the booklet. After the Development Officer’s approval, the Assistant Director sends the final briefing to the President two-days before the visit.

3. **ACKNOWLEDGING THE VISIT**

The Assistant Director begins coordinating the follow-up letter by the President upon the visit. She checks-in with the Development Officer the morning of the visit to get a few general statements about the purpose before creating a template. After the meeting, the Assistant Director speaks with the Development Officer again to learn the tone and topics of the visit. A drafted letter is sent to the President’s Office the following day to be edited, signed, and mailed.

FY18 marked the first year for recording Presidential Donor Visit Planning data.
**PRESIDENTIAL EVENT BRIEFINGS**

**Associate Director of Donor Relations and Stewardship**

**FOOTBALL SKY SUITE**

Football game days are a timeless way to interact with our donors among the excitement of college athletics. The Assistant Director begins working with the Vice President’s Chief of Staff to coordinate SkySuite invitation lists in July to ensure all seats in the President’s Suite are filled. With the help of external support, short briefing templates have been created to make this hectic, weekly process during the Fall run seamlessly. Briefings are completed, and attendee lists are updated upon RSVP’s. The President and applicable Development Officers receive final briefings each Wednesday before a home game. An addendum is provided on Friday if updates need to be made.

**SPECIAL EVENTS**

Like football game days, the Assistant Director works with Research and Prospect Management to create Presidential briefings for Development-related events. These events include: Annual Peabody Awards, regional dinners and events, and donor-hosted dinners.

FY18 marked the first year for recording this data.

**MISCELLANEOUS PRESIDENTIAL DEVELOPMENT LETTERS**

**Associate Director of Donor Relations and Stewardship**

In addition to Presidential gift acknowledgements, Presidential Stewardship includes miscellaneous letters to donors from the President. These letters include follow-up letters from Presidential visits and congratulatory letters for high-level appointments or major life events. All condolence letters are handled solely by the President’s Office.

FY18 marked the first year for recording this data.
Based on the outstanding success of our Thank a Donor Day efforts, ThankU was designed as our overall student gratitude marketing plan. We want UGA to be known for its thankful students, and ThankU is our part in creating an “attitude of gratitude” at UGA.

THANK A DONOR DAY

Associate Director of Donor Relations and Stewardship

To create a culture of philanthropy at UGA, Donor Relations and Stewardship instituted UGA’s first ever Thank a Donor Day in 2012. The entire UGA community is invited to observe this day of gratitude. The purpose of Thank a Donor Day is to educate students about the impact of private giving by demonstrating the difference it makes to their educational experiences while emphasizing the importance of thanking donors for their generosity.

The occasion is also a perfect opportunity to collect student thank you notes, photos, video messages and other expressions of gratitude that can be used throughout the following year to acknowledge the generosity of our donors in a personal way. During our seventh annual Thank a Donor Day, we exceeded our goal by collecting over 950 student thank you notes—all from enthusiastic students expressing their sincere gratitude to UGA donors. Each year, our oversized card is used filled with student signatures, we nearly run out of t-shirts and cookies to give away to participants, and over 600 postcards are mailed to individual donors. We continue to utilize this event to collaborate with units campus wide and educate our students about the impact giving.

Thank a Donor Day began in FY12.

*The Group Poster Contest and Donor Fact Social Media Raffle began in 2017; recording began in FY18.
In 2015, Donor Relations and Stewardship began meaningful conversations that clarified UGA’s unique, decentralized stewardship structure. This audit inspired new ideas in communication across our complex division of Development. Having identified “Stewies” in our 20+ units through a survey, Team Stewardship now meets quarterly to discuss best practices, highlight stewardship across campus, and create a communication pipeline essential to teamwork and collaboration across our campus community.

QUARTERLY MEETINGS

Assistant Director of Donor Reporting and Communications

Meetings create a stewardship community by bringing together those who are involved in donor relations efforts as a part of their daily work. Holistic stewardship of our donors occurs when stewardship by the central office and individual schools and programs is not an either/or proposition. When the central office does things well, units can devote their resources to specializing stewardship for their current and prospective donors. Team Stewardship meetings offer a leadership and support role while creating opportunities for everyone to learn from each other. We offer campus-wide updates and donor relations best practices, highlight successes within our units, and support this group through open discussion, creative ideas, and professional development.

“Team Stewardship meetings are some of the most valuable and productive I have ever attended. With each meeting, you refine my grasp of what we do and all that it can accomplish, broaden my knowledge of the many facets of stewardship at UGA, and provide tools and fresh insights to help us take our work to higher levels. I woke up looking forward to today’s meeting and left feeling inspired and energized—thank you!”

-NANCY

“I truly cannot thank you and your hard-working team enough for taking the time to develop and implement Team Stewardship. I walked away with ideas that have made my working life easier (hooray!), improved my organizational techniques, and overall improved our stewardship plan... In addition to my professional growth, it was amazing to be surrounded by a group of people who can relate to my work woes and success stories. I walked away... feeling like I have allies on campus that I can call on when I have a question, and I cannot thank you enough for that.”

-MICHELLE
THE STEW

Donor Reporting Coordinator

Following the second meeting of Team Stewardship, Donor Relations and Stewardship implemented an enhanced version of “meeting minutes.” Produced in-house, The Stew is a digital newsletter that provides an overview of the meeting and links to supplementing materials. With professional, yet uplifting, voice, The Stew highlights recent successes of our Stewies and elevates the work that takes place each meeting when shared with administration. In the future, The Stew from the previous meeting will be linked within the Save the Date for the next meeting.

STEWARDSHIP SURVEYS

Assistant Director of Donor Reporting and Communications

To better understand university-wide stewardship and difficulties our units face, Donor Relations and Stewardship has administered two internal surveys and one donor survey. This research does not aim to highlight staff weaknesses or undermine a position—we aim to identify areas that need more support.

2019 DONOR EXPERIENCE AND LEGACY GIVING SURVEY

In June and July of 2019, Donor Relations and Stewardship partnered with Gift and Estate Planning to survey over 80,000 donors to track the reasons for giving, our alignment with donor expectations, and the potential for donors to give again. Survey results were reviewed by a graduate assistant from the Department of Psychology, and the reports will be released Fall 2019.

2017 SCHOLARSHIP STEWARDSHIP SURVEY

Over 20 units completed a checklist identifying funds that are systematically stewarded through a student thank you note. Units also received a questionnaire to more fully explain annual strategy for receiving thank you notes and coordinating scholarship events. The Survey results were released in November of 2017.

2016 COMPREHENSIVE STEWARDSHIP SURVEY

The Comprehensive Stewardship Survey was materialized in October 2015. For three-months, the Senior Director and Assistant Director met with 23 of the University’s units in their places of work. Collecting this overview of stewardship activities gave University Development an ability to better support our units. Through greater communication, this survey inspired ideas, encouraged collaboration, and provided a baseline for future of donor relations. Since its release in the Spring of 2016, this survey has fostered a more cohesive campus stewardship community.
As we move into the future, Donor Relations and Stewardship will continue to fulfill its mission of sustaining lifelong relationships with the University's donors by remaining a thoughtful and creative team that puts gratitude at the center of our efforts. We plan to improve and expand upon our donor-centered programming each year and look forward to achieving our goals.
