THE GEORGIA COMMITMENT SCHOLARSHIP PROGRAM. A MATCHING OPPORTUNITY TO FUND NEED-BASED AID AT UGA.

The Georgia Commitment Scholarship Program is designed to grow the number of need-based scholarships awarded to UGA students – a giant step toward eliminating the financial obstacles facing many students. The UGA Foundation will match individual donations of \$50,000, \$75,000 and \$100,000 up to \$500,000 to double the impact of endowed need-based scholarships.

Last year, **6,648** undergraduate students were Federal Pell Grant Recipients.

- **42%** were from families without the ability to contribute to college expenses
- **31%** were first-generation college students
- **46%** had a family income less than the cost of attendance for a resident undergraduate (\$27,450)
- **1,486** had a family income less than the cost of tuition and fees for a resident undergraduate (\$11,830)

Imagine a donation of \$100,000 transforming to have twice the impact on a student in need.

- If you commit \$100,000 to the Georgia Commitment Scholarship program, the UGA Foundation will provide an immediate \$100,000 match to establish an endowed scholarship for need-based aid.
- As you fulfill your commitment over the next four years, your gifts will fund a \$7,000 annual award and add \$18,000 per year to the endowment, which is also accumulating investment earnings.
- In the fifth year, the endowment will have received \$172,000 in contributions (in addition to accumulated investment earnings). At this point, the endowment will begin funding an annual award in perpetuity.
