

## The Parents Leadership Council is making a **BIG IMPACT** on UGA's campus.

---

The Parents Leadership Council is providing **over \$350,000** in grant funding to **50+** campus organizations and programs that will dramatically enhance the collegiate experience for students by helping them stay healthy and fostering their further development outside of the classroom.

This impact is made possible by annual pledges from Parents Leadership Council members and individual donations to the Parents Fund.

### THE UNIVERSITY HEALTH CENTER'S COUNSELING AND PSYCHIATRIC SERVICES

Gives students access to a group of dedicated and clinically trained professionals who provide individual and group therapy, psychiatric services, psychological testing and nutritional counseling for UGA students.

### DEAN OF STUDENTS STUDENT DEVELOPMENT FUND

Provides financial support for the Dean of Students to enhance student success and allow the dean to have meaningful interactions with students during the academic year.

### PERFORMING ARTS CENTER STUDENT TICKET INITIATIVE

Makes the high-quality performances at the UGA Performing Arts Center accessible to students, enhancing the quality of life on campus and serving as a cultural learning experience for students. Tickets are made available to UGA students for free or for as little as \$5; these tickets normally retail for \$30-\$60 for patrons.

## STUDENT VETERANS RESOURCE CENTER

Funding supports the general operations of the SVRC, which offers year-round support to and advocacy for UGA's more than 250 student veterans. Funding also supports the annual Award and Honor Cord Reception, which honors student veterans graduates.
