

# LEAVING A LEGACY

From the anticipation of move-in day to the relief of the last final exam, you helped guide your Bulldog to their final year at the University of Georgia. Commencement is just around the corner and the impact that your student will make on this world after UGA is immeasurable. You can help magnify that impact for the next generation of Bulldogs with **a senior legacy gift that celebrates your student's graduation and honors their life-changing experiences at UGA.**

Senior legacy gifts can be established in your student's school or college, or another area on campus that is meaningful to them. Endowed legacy gifts will last in perpetuity and can be paid over five years. Areas that could be supported by legacy gifts include need-based scholarships, undergraduate student emergency funds, experiential learning opportunities, study abroad scholarships and services supporting student well-being.

A certificate of recognition can be prepared for families wishing to formally share news of the established legacy gift with their student.

# SENIOR LEGACY GIFT

*Lead with purpose.  
Leave a legacy for your student.*

By establishing a senior legacy gift, you can:

- **Join the philanthropic efforts** of UGA supporters.
- **Impact the next generation of Bulldogs** by making a UGA degree possible for them.
- **Show gratitude** for the opportunities your student had at UGA that were made possible by philanthropic efforts of those who came before them.
- **Leave a legacy** for your student that enables future students to benefit from a UGA education.
- **Establish a foundation of philanthropy** for your student to continue and encourage their longstanding connection to UGA.
- **Strengthen the culture of parent philanthropy** at UGA.
- **Commemorate** your student's UGA experience in a way that benefits both them and future generations of Bulldogs.
